CHAPTER RIDE HOT LINE 847-281-3141

## Corey Johnston – Director

Wow is this year flying by! Hard to believe it is already October and fall is here. Fret not, for there is still plenty of great riding left. Fall is one of my favorite times to ride: crisp cool air, beautiful color changes, and all the great fall treats. We have some great rides on the calendar that will be taking us out to see Mother Nature at her finest, so make sure you check your calendar. We will also be having our Fall Event which Nita has all the information on so don't miss out. I will be leading a ride on **Sunday the 28th meeting at the dealership at 9:30 am** going to Revere's in Delafield Wisconsin. We will be running through Lake County up through Bull Valley past Lake Geneva and finally through part of the Kettle Moraine before ending at a great lunch.

Don't forget our October meeting will be our annual officer nominations. We will ask for three volunteers to be on our election committee. We will then take nominations for each of the four primary officer positions. If you are interested in running for a position have a friend nominate you or you can nominate yourself. We will hold our election at the November meeting.

As most of you know, we lost one of our own - Steve Bachner - unexpectedly in August. At last month's meeting we collected enough funds to order a memorial rivet at the Harley Museum. We have also had a memorial patch designed and will have them for sale as soon as possible. The patch design can be seen in the memorial collage I have put together at the end of the newsletter. We will plan a memorial ride to the rivet wall next year when the rivet is installed. All of that being said, let's get out there and soak up that crisp fall air and ride.

## Ralph Lenzini—Assistant Director

Where in the Hell did summer go?? So this newsletter is going to be short and sweet just like summer was. Here we are. It's October and the fat lady ain't singing yet. Oh she might warm up her vocal cords now and then, but we still have a lot of great rides on the calendar. Plus we have the Fall Event. So I hope to see you there.

In closing I would like to thank Lenny. He is a long time Chapter member and the owner of Buffo's in Highwood. He went over the top for the Teddy Bear Fundraiser. But then again he always does. We raised \$260 for the Teddy Bear Fund, ate a lot of pizza and enjoyed each other's company. What a great day! This all started when Lenny and I where eating lunch together and guess what... We are already planning next year's fundraiser. Thank you all for coming, and a shout out to Anne, Lise, & Laurie for being our hot and sexy door girls who collected the money and kept us in line. Also Ray, John and Joel ( sorry for the bumpy road). Anyway, we couldn't have done it without your help. Oh and I'm sure Steve would have been right in the middle of this. Miss ya PAL.

Chase all of the Sunsets you can.

## Ray Weimer—Treasurer

Well we are officially into Fall and in a few weeks, we will be turning the clocks back and the days will be shorter; oh boy, it's what every biker that lives around here hates. The coming of winter and for a lot of us the bikes go away till next Spring. But wait, we still have what I consider one of the best times of the year to be riding, Fall and the changing colors and crisp morning rides. Almost every weekend there is small town festivals everywhere and one of my favorite rides is along the colorful Mississippi. If you haven't done it you're missing a fantastic riding experience. So, saddle up and crank out those miles on your Harley before old man winter comes a blowing snow all over the place.

With October comes the chapter's election process with nominations this month and the actual elections in November if needed. I just want to say it's been a pleasure serving the chapter in my treasurer role this year and working along with what I consider a great group of friends and fellow officers. This year's primary officers worked together well and as they say "are just getting started" to hopefully continue to bring you the membership, the quality programs, and fun activities you enjoyed this year. Why not come on out to this month's meeting and support your chapter in making it the best it can be.

Keep your knees in the breeze,

## Dave Jones – Secretary

Hi, Riders!

Welcome to October!! One of the nicest things I've seen in a long time – is a FULL October riding schedule for the LS-HOG Chapter!! I know my month will be busy – with a Weeknight Wandering Dinner Club ride (#7 this season – Cap't Porky's is up), a BRUNCH ride (to Union Grove, WI) and our annual Halloween Night Ride into Chicago! I hope that many of you don't hang up the leathers just yet – and join one (or more) of my rides or any of the other fun rides and activities that are scheduled for October!!

If you hadn't noticed by now, I love the fall for riding! Chilly, dark mornings bloom into crisp, bright days – not too hot or cool with a layer or two – and cool enough that the bike runs like mad! H-D's just LOVE to run when it's cooler (the air, I mean). And it seems the miles can go on and on as each day can end up with a hot drink and an evening by the fire-pit – outside – or the fireplace – inside – to finish off a perfect kind of day.

See ya' on the road!!

As always..., **Ride out. Ride Home. Every Time!**

## Anne Weimer—Membership

Welcome to my favorite season of the year, fall!!! There are so many fun rides to take, from just enjoying the crisp weather to pumpkin picking or attending small town festivals, who could ask for anything more?!! With October beginning there are plenty of rides on the schedule so get out there and enjoy while this weather continues to cooperate.

Our membership continues to grow, we are now up to 224 Lake Shore H.O.G. members!!!! I would like to give a very hearty welcome this month to: **Dillon Johnston, Rey Magana, Mary Morrow, Tim Rundle & Paras Saharwal**. I do hope to see you all at the meeting on **October 21<sup>st</sup>** with breakfast beginning at 9:00 am and the meeting starts at 10:00 am.

Again my friendly reminder: Don't forget to check to see when your National H.O.G. membership expires because if you do let it expire, your membership with Lake Shore is inactivated until you renew your national membership. In addition if you would attend one of our rides you will be required to fill out another release form. Renewal can be accomplished easily by logging onto [www.hog.com](http://www.hog.com)

## Nita Cruz—Activities Officer

As we head into October, there's a nip in the air and the trees are starting to turn. We continue to work on the Fall event which will be held on Saturday October 27th. This year's event will be a scavenger hunt ending back at the dealership for some good eats like: hamburgers, hot dogs with or without chili, tamales and pumpkin pie!

The festivities will start at 1:00 from Lake Shore Harley Davidson. Rules and directions will be handed out before we start. We are sure to have a good time, can't wait to see the pic???? Oops, don't want to give it away.

See the flyer for details. If you plan to attend, you can email me at [activities@lakeshorehog.com](mailto:activities@lakeshorehog.com) or let me know at the October meeting.

## John R Sweeney Jr HEAD ROAD CAPTAIN

Howdy Lake Shore H.O.G.,

Last reminder: our October meeting is the last day to check in your bike for this year's mileage contest. Winners will be announced at our November meeting. This mileage will be your starting mileage for next years contest.

Check in your mileage with Kory at the dealership for the Ride 365, whenever you feel you are done riding for this year.

Our Valley Of The Kings ride is **October 14th**. All the necessary information is on the ride calendar. If you have never been there before, you won't want to miss this ride. The BIG cats are WAY COOL!!!!

We've had a great riding calendar this year with 65 rides (so far) on the calendar through October. And we have a few more after that in November and December. We've done over 100,000 miles as a chapter so far. All the final results will be in the newsletter at the end of the year. The goal of this chapter has always been, "ride and have fun". I can honestly say we are definitely doing that this year.

To put together a calendar of so many (varying) rides takes a lot of hard work from our Road Captains. Until you've learned all the nuances of group riding, planned routes, pre-rode them, created maps, planned what to do at the destination, lead up to 15 bikes, been responsible for possibly getting a couple of more RC's and forming a second or even 3rd group and then got everyone there safely, its hard to realize everything that they do for the members. It's their free time, their commitment to giving members a variety of rides, routes and destinations from which to choose and basically giving to the current members, what they got to experience when they joined the chapter. Kind of like "paying it forward". We owe them our thanks and gratitude for their hard work, dedication and self-less efforts for our benefit. My hat (doo-rag) is off to each and everyone of them. Thank you for all you do...

Hope to see all of you out on the road, enjoying their efforts and the beautiful fall riding season ahead of us.

See you next month...

John

### **Bikers: Stay Safe During the Autumn Season**

Some bikers put their motorcycles away after Labor Day weekend, but many look forward to what can be some of the best riding weather. If you're planning on riding during the autumn, make sure your bike is safe and ready to handle the change of the season.

Here are a few safety reminders to help you stay safe and avoid a motorcycle accident, even as the leaves begin to change.

#### **Check the Mechanics**

After the summer riding season, your bike may need a tune-up. Check that all parts are functioning correctly and that you have good tread and air pressure in your tires. Make sure your fluid levels are good and that all controls are working properly.

#### **Wear Proper Clothing**

Autumn has many temperature changes. It can be quite chilly in the morning and still reach the mid-70s or 80s in the afternoon, depending on where you are. The best thing you can do to adjust to the changes is to dress in layers. You should never wear cotton as a base layer. Use thermal underwear or something with a synthetic blend as your base layer. On top of the base layer, wear comfortable riding attire. Don't wear a hoodie, but rather a zip-up sweatshirt or shirt.

#### **Beat the Wind With Leather**

It might be too hot to wear leather during the summer, but it's perfect for fall. Leather motorcycle jackets or chaps can protect you from the wind and keep you more comfortable while riding. They usually also have removable liners.

You can wear riding boots with synthetic liners and wool socks. This combination will let your feet breathe in case they get warm.

Finally, it's a good idea to wear a pair of synthetic glove liners underneath your leather biker gloves and pack fingerless leather gloves in a storage compartment. You'll be able to switch in the afternoon when you get too warm.

#### **Switch to a Half- or Full-Visor Helmet**

Cool air can be harsh on your eyes, so switch to a Department of Transportation approved helmet.

#### **Bring Your Rain Gear**

A raw, chilling rain can cause hypothermia quickly, especially if you're not wearing the best riding attire. Always pack your rain gear, just in case.

#### **Watch for Riding Hazards**

Falling leaves can be very slippery and cause accidents, and many deer are more active during autumn – especially during dawn and dusk. Keep your eyes out for any riding hazard so you have time to react.

Following these guidelines can help you make the most of your fall riding season and enjoy the weather before any snow sets in.

So let me hear from you ... I can be reached at [safety@lakeshorehog.com](mailto:safety@lakeshorehog.com)

### Other LOH News

At last month's meeting it was announced that the annual bake sale would take place during the fall event. This will be rescheduled for later this year during the holiday season when Santa is at the dealership. We want to make sure we have the best chance possible for raising funds for the Teddy Bears. So keep a lookout for updates on an official date. We have rescheduled our LOH ride to the Elegant Farmer for October 13th so come and join us for some fun if you can. We are also looking forward to a Patch and Bling Party in November so stay tuned for more info.

**FOOD & WINE**  
INSPIRATION SERVED DAILY

Call it a line in the sand over the top of a pie: Wisconsin residents are divided between ice cream or local sharp cheddar as a suitable dairy topping for pie. This 65-acre farm offers both on top of an unusual sugar cookie-dough crust, invented after a baking accident. The domed crust caramelizes in a paper bag, keeping Idared apples crisp yet sweet and the crust brown, not doughy. Three generations of owners and countless contests later, this is the authoritative Wisconsin pie, with or without cheese.
